Multiculturalism is being used against Humanity

Count Richard von Coudenhove-Kalergi

was the founder and President for 49 years of the Pan-European Union, the forerunner of the EU. In his 1925 book, "*Praktischer Idealismus*" he says this:

"The man of the future will be mixed-race ... The European-Negroid race of the future ... will replace the diversity of peoples ... Russian [Jewish] Bolshevism constitutes a decisive step towards this purpose, where a small group of Communist spiritual aristocrats govern the country ... The General Staff of both ... are recruited from Europe's spiritual leader race, the jews [sic]."

In 1950, Coudenhove-Kalergi was awarded the very first *Charlemagne Prize*. Subsequent winners have included: Winston Churchill, Edward Heath, Bill Clinton, Henry Kissinger and Tony Blair. Of mixed race (Asian and European) himself, two of his three wives were jews.

The Kalergi Plan

Kalergi described his dreams for a One World Government with its foundations in the European Union. He hoped that the European project would go on to become the blueprint for a society run entirely by the global elite over a powerless population. He would achieve this by uncontrolled mass migration. Every European country is doing the same things. Has anyone noticed this?

The Cloward–Piven Strategy

In a 1966 essay published in *The Nation*, sociologists Richard Cloward and Frances Fox Piven introduced the Cloward-Piven strategy, a political approach aimed at creating chaos to prompt a political crisis that could lead to legislation for a guaranteed annual income and an end to poverty. Fast forward to the present day, and some argue that the events of the past year, including the COVID-19 pandemic and allegations of a rigged election, echo the principles of Cloward-Piven, resulting in a significant shift in American leadership and direction.

The objective of Cloward-Piven is clear: induce chaos and turmoil with the ultimate goal of recruiting the poor onto the welfare rolls. According to the sociologists, a federal program of income redistribution becomes necessary to lift the poor en masse from poverty once chaos is established. This perspective sheds light on recent developments, particularly the response to the pandemic and the measures taken by the government.

Treason From Within

A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself.

— Marcus Tullius Cicero —
